

OKLAHOMA County

Day Reporting Program

Fact Sheet

The **NorthCare Day Reporting Center** is a pre-trial program designed to serve seriously mentally ill persons and individuals with co-occurring mental health and addiction disorders in the custody of the Oklahoma County Sheriff and are awaiting sentencing for appropriate criminal offenses. Participants in this program live in the community rather than in jail and are required to participate in mental health treatment and make daily contacts with program supervision staff. The NorthCare Day Reporting Center is funded by the Oklahoma County Sheriff and ODMHSAS. The program has had 1,040 admissions since it opened in 2005.
